CA-Estate Dispute
T-Property

To the Honorable judge of the County Court of Lee County, in Chancery now sitting: -

The bill of complaint, of William T. Henderson, Gautins Campbell, and Sarah Campbell, respectfully represent, that, one Gray G. Henderson, ~~de~~ departed this life, on the day of 186 at the date of his death, he owned, a considerable, real & personal estate - & at some time previous to his death, however, he made and, published his last, will and testament, a copy of which is herewith filed marked A. By an inspection of which, it will be seen that among the bequests made there was several, depending upon contingencies - some of which, have been since defeated - as will more fully appear by exhibits hereafter referred to - The last clause of said will nominated, and appointed Fictilla Bales the sole executor, of said will. This will was at the term of the Court of Lee County duly filed to record, and the said Bales also qualified as executor, and entered upon his duties, as such and continued to perform the same - till about the day of 186, he resigned his said office, and one Edw. Bishop, was appointed, and qualified as administrator with the will annexed and now exercises the duties of said office - Copies, of the said orders, appointing and qualifying the said admr. & Executor, will in due time be filed with this bill marked B & C. The said Bishop in pursuance of his duties as admr. as aforesaid, found it difficult, to perform the same since, a difference of opinion existed among

the heirs and distributees of said estate, and different constructions placed upon the said will. - He therefore in the year 1868, exhibited, his bill in the circuit court of this County, praying the said Court to propound, the said will, and aid him in its construction. - This cause came on to be heard at the April Term 1869, when the following decree was entered therein: - "This cause came on this 30th day of April 1869, to be heard upon the bill of the plaintiff, the answer of Thomas Kestner Archelus Kestner, Martha Kestner Gornett Kestner Clinton Kestner & Mel Kestner Cornelia Laugham Elizabeth Laugham, John & Laugham and Martha J. Laugham infants by Henry J. Morgan their guardian ad litem, the exhibits filed and was argued by counsel and it appearing to the Court &c: -

Upon consideration whereof the Court is of opinion & doth accordingly is adjudge order & decree: That the plaintiff out of the assets of his testator in his hands to be administered pay -

- 1st The debts of the testator & the funeral expenses -
- 2^d The specific legacy of five dollars to Stokely R. Lanham, The specific legacy of five hundred dollars to Cordwell, eldest son of Elvina Cordwell of Claiborne County Tennessee & the specific legacy, to Agina, the wife of the testator of one thousand dollars & all the household & kitchen furniture of the testator, The court being of opinion that this legacy to the said Agina, is absolute & not forfeited by her subsequent marriage. - But any money or property, paid or delivered, by the plff to the said Agina, shall be applied to the

to the satisfaction, pro tanto of the said legacy of \$1000. And it appearing that the defendant Agina has intermarried with the defendant Stephen R. Thompson, and thereby forfeited her rights as residuary legatee it is ordered 3^d That the plaintiff's apply the residuum of the estate of his testator in his hands after paying debts, specific legacies, the expenses of administration as follows viz one half to Cordwell, the eldest son of, Elvina Cordwell of Claiborne County Tennessee & the other half, to the brothers & sisters of the testator, to be equally distributed & if Stokely R. Lanham was living, at the time of the marriage of the defendant Agina, to the defendant Stephen, R. Thompson, Then neither the said Stokely R. Lanham, nor his wife, nor any person claiming under them, shall have any part of the said residuum, but if the said Stokely R. Lanham was dead at the time of the said marriage of the defendant, Agina & Stephen R. Thompson as heretofore, Lanham, the wife of the said Stokely R. Lanham & sister of the said testator, is to have an equal part &c. - Thus as far as the rights of the parties, one concerned, as distributees, the same is settled by said decree, and it is plainly set out, what share each is entitled to. - A copy of said decree, will be found with bill marked "D" and is paid to be considered, here with. - The determination of the said suit, was looked to by your complainants, as the time, when the said adms. would, settle the windup, and pay out to those entitled under said decree, their respective shares of said estate. - But they have been deceived as to that -

Your complainants charge, that the said Fidella Bales
 executor as aforesaid, received, and took, into posses-
 sion, all the personal property owned by the said
 testator, amounting to the sum of \$, but what
 disposition he made of the same, your complainants
 do not know - but here call on him to account for the
 same - that he also received a large amount of notes
 & bonds, on which presents the creditors of his testator
 a list of which as shown by an inventory returned
 to the clerk's office of said county will also be
 filed with this bill marked E. and is prayed to be
 considered hereafter; but how many, of these or what
 sums collected on them by the said Bales, your
 complainants can not tell, ~~or~~ how many of the same
 he turned over to his successor E. S. Bishop ~~you~~
 they ~~can not tell~~, but call on him now here to
 disclose - But they charge that a considerable
 amount, of these, notes accounts & personal prop-
 erty went into the hands of the ^{said} Bishop adm^r of
 said estate - They now allege that considerable
 amounts here been, paid, to the said agins
 late widow of the said testator, that none has
 been made to your complainants - Your
 complainants, now allege that the said Bales
^{late} Executor, and the said Bishop adm^r &c. have
 failed to perform their duties, as the representatives
 of the said estate, in failing to collect, or
 at least to procure, judgements on the bonds
 in their hands; and in ~~making~~ failing to settle
 their accounts, as fiduciaries, with a court of
 this Honorable court; And further as will be
 seen by an inspection, of said will it ~~appears~~

~~now~~, that certain, lands, were directed,
 sold, and the proceeds distributed, that ^{the}
~~not~~ been done, nor the rents and profits
 for, all of which your complainants, ^{to}
 be a violation of their duty. The object of this
 bill therefore is to obtain a decree of this Court
 requiring the said Fidelia Boles, former
 executer and E. S. Bishop admr. with the will an-
 nexed, of the estate Gray & Henderson, to produce
 before a commissioner of this Court, ~~a statement~~
 all, money or money bonds, that have come to
 their hands belonging to said estate, and show how
 much each of them ~~bonds~~ collected, & how
 much they have paid out, and to whom, and
 under a full & complete account, of the
 management of their ^{testator's} ~~estate's~~ estate; and that
 the said admr. be compelled to go on collect a
 monies due, sell the said lands, and distribute
 the same in accordance, with the decree
 of the said Circuit Court herein before referred to.
 Your complainants now state, that the said
 Henderson, testator as aforesaid - left at his death

William Henderson one of your complainants -
 Sarah Campbell, ^{wife of Hawkins Campbell} the female complainant
 Hawkins Campbell who intermarried with the said Sarah
 Leavina Henderson, who has since died, single & intestate

 children her heirs at law - Martha, who has

 & Thomas Kestner -

of, his said abandonment he sold off what little
personal property he owned and all the land he
possessed, and took a portion of the proceeds with
him, and left so much of the proceeds of the sale
of his lands as he could not or did not collect
due him as follows, From E. S. Speak \$110.00
for land, from John Corman for land \$150.00,
and this is all the estate the said Wm J Hutton
has, of which your oratrix is apprised, in this
County & State. Her said husband ^{Executed} ~~joined~~ in deeds
conveying said lands to said Speak and Corman
in which she joined, not knowing, at the time,
the intention of her said husband, but she has since
become convinced that his intention then was
to do what he afterwards did, abandon her and
leave her to take care of herself, while he went

most and carried with him all the proceeds that
he could of his property, and with the intention not
to return, Your oratrix avers that she is without the
means of support and liable to suffer for the neces-
saries of life, that she has no property whatever nor
any means of acquiring a support and maintenance
having lost her health, and being in almost a
helpless condition physically.

In tender consideration whereof, and for as much as
your oratrix is remediless save in a court of equity
she prays that the said Wm J Hutton, be made a
defendant to this bill, and be required to answer
the same but not on oath, that being waived;
that your oratrix may be divorced from the said

pending this suit, be compelled to pay such sums

The answer of Thomas Kestnor, Archelaus Kestnor,
Garrett Kestnor, Clinton Kestnor, Cornelia Sanham, Eliza-
beth Sanham, John H. Sanham, and Martha Sanham, infant
heirs of dec'd, by John B. West, their Guard-
ian ad litem, respectfully represents, that these respondents
are of tender years, and therefore incompetent to understand
their legal rights, and for protection therein throw themselves
upon this Honorable Court - the proper Guardian of infants.

Respondent states for them that he supposes the allegations
in the Bill are true, but relies upon this Court for protection
of these infants in all their legal rights. And, having
answered as fully as seems necessary, prays to be hence
dismissed with costs.

In chancery

Report

To the Honorable, Hon. L. Morgan Judge of the County
Court of the Lee County in chancery sitting.

Pursuant to a decree of this Honorable Court
rendered at the November term 1870, in the above named
case, and agreeable to the principles of said decree it was ordered
among other things, and decreed, that, the said Commissioner
after notifying Thidello H. Bales late executor of Bray B.
Henderson deceased, and Elijah S. Bishop, administrator de
bonis non with the will annexed, and all the adult resident
defendants, and the counsel of the plaintiffs proceed to state,
settle and adjust the account of Thidello H. Bales late ex-
ecutor of Bray B. Henderson deceased your commissioner under
and pursuant to a notice in the Court Room, dated of said term
on the 10th day of August 1871 stating therein that the said
accounts of Thidello H. Bales was then before me for settlement
and on the 12th day of September 1871 I proceeded to take
oath and adjust the same as of the date of July 19th 1866
and from thence on in annual statements up to July 19th 1871
and by reference thereto it appears that the said Thidello H.
Bales late executor is indebted to said decedent's estate the
principal sum of \$63.89¢ and \$26.35¢ interest, which includes
the rents received by said executor for the years 1863, 1864 & 1865
and interest due thereon, said total principal and interest
to \$90.24¢, which a decree should be rendered and execution
issued against said executor for that sum, reference to said of-
ficial account will more fully appear, marking (A), which closes
the account and business of said executor so far as he is concerned.

The next in order was, that the said Commissioner should proceed to take state and settle the Administration account of Elijah. S. Bishop administrator de bonis non with the will annexed of the Estate of Gray. S. Henderson deceased, and agreeably to said order and decree, your Commissioner posted a notice on the Court House door of said County - on the 10th day of August - 1871, stating therein, that the said account of Elijah. S. Bishop administrator was before me for settlement, and on the 12th day of September 1871, I proceeded to take state and adjust the same as of the date of July 19th 1867, and from thence on in an annual statement up to July 19th 1871, and it will appear by reference to his administration account, of the date of July 10th 1866 there was due to the heirs and distributees of Gray. S. Henderson estate the principle sum of \$3368.28 and \$928.59 interest on notes and bonds placed in his hands by said fideliary H. B. Bates late executor, upon which I made a charge of interest annually thereafter allowing him all proper interest and charging said administrator for interest due on all sums unaccounted for up to July 19th 1871. I also ascertained the rents collected by said administrator included in said administration account, I also made an account-current of the rents received for the years 1867, 1868, 1869, & 1870 amounting to \$206.92 per Ex (15), which is charged to him in his administration account; by reference to said account there was in the said administrator's hands unaccounted for ending July 19th 1871 the principle sum of \$1714.00 and \$1928.13 interest, making total principle and interest of \$3639.13 due the heirs and distributees of Gray. S. Henderson deceased, reference had to separate and accounts will more fully appear, which closes the 1st principle of said decree. The next in order was, that the said Commissioner should prepare a separate statement in his account

showing clearly how much had been paid to each of the legatees mentioned in Ex (15), filed with said bill, it will appear that Ogina K. Thompson late Ogina K. Henderson widow of Gray. S. Henderson deceased had received the principle sum of \$1375.00 and interest thereon amounting to \$284.25, total principle and interest to \$1659.25, and to Ogina M. Leardance through her attorney Jas. M. Thompson \$745.00 reference thereto had to Ex (16) will more fully appear which closes the 2^d principle of said decree. The next in order was, that the said Commissioner should prepare a statement in his account showing the debts due said Henderson estate, then and solvent, and yet unpaid Ex (17) will show all said debts in full amounting to \$3368.28 principle, and \$928.59 interest up to July 10th 1866 of which debts are all solvent and will be collected in due time, and that none have been lost by improper management of the said executor and administrator, as your Honor is fully aware of the difficulty of collection of old debts during the close of the war, and by reference to Elijah. S. Bishop's Administration account it will be shown what is due for each year up to closing of said account, July 19th 1871, which closes the 3^d principle of said decree. The next in order was, that said Commissioner will also show specifically, how much has been paid to Ogina K. Thompson formerly Ogina K. Henderson late widow of Gray. S. Henderson deceased by reference to Ex (18) will show the sums received by her principle and interest, and it does not appear, that any of the heirs and distributees have received any thing except Ogina M. Leardance through her attorney, which said exhibit will show the amount said Leardance received which closes the 4th principle of said decree. The next in order was that E. S. Bishop should sell the lands of the decedent in a credit of 1223 years -

To the Honorable John D. Kelly Judge of the County Court.

The undersigned special Commissioner who was directed by a decree of your Honor rendered at the August Term 1874, in the Chancery cause of Wm. H. Henderson et als vs E. S. Bishop Admr of the Estate of G. W. Henderson decd et als, to state, take and settle the account of said Bishop as Admr of said estate, and to show how much he had received in the sales of the land of the decedent, how much from all other sources, and how much he had disbursed & to whom, respectfully reports; That after giving notice to said Admr, I proceeded on the 8th day of March 1876 to perform the duties assigned me, By a decree rendered in said cause at the November term 1876, David Miller was appointed a special Commissioner, and among other things was directed to state and settle the administration account of said Bishop and did make said settlement up to the 12th day of July 1876, and which settlement and report was confirmed by the Court. But your Honor has made a statement of said account

from the beginning of said administration up to the 17th day of March 1876, including the period stated by said Miller Court, and has charged the estate with the amount of a list of notes received by him from Little H. Bates late executor of the estate of said G. H. Henderson dec'd. See Exhibit 'D' with said Miller's report here made a part of this report, and interest thereon, and interest on the annual balances of principal money in his hands, as shown by the annual statements in the foregoing account made as of July 17th 1867, 1868, 1869, 1870, ^{1871, 1872, 1873, 1874, 1875, 1876} and in the annual statement made as of July 19th 1871, with the sum of \$1005.00 the sum for which he sold the said decedents land on the 16th day of January 1871. See said Adams' report of sale filed in said Cause. And I have given the Adm'r credit for disbursements made by him in payment of debts & in way of distribution, vouchers for all of which are herewith filed numbered as in the annex from 1 to 35 inclusive, and for 7 1/2 per cent commissions on his said disbursements, except as to the \$1005.00 received for the sale of the decedents land, and as to that ^{sum} I have allowed the Adm'r 5 per cent on the first \$500.00 & two per cent on the residue. The said sum of \$1005.00 the amount for which the land sold, has all been collected by the Adm'r, and he has collected a considerable portion of the debts that came into his hands but the Adm'r could not furnish me with a correct and complete statement of what he had collected upon said debts, consequently I do not see how I can show exactly how much he has received, but the foregoing statement ^{of his acct} will show how much he has disbursed, and to whom; and I have prepared a statement herewith filed under the name 'B' showing what debts or parts of debts he has collected, but as the dates at which said debts were received are not given, and were not kept by the Adm'r, this will not show with certainty how much he

has received and whether he has received more than
he has disbursed but will give some idea how that is
and from the best information I can get, I am of opinion
that the Adams has disbursed ^{near} as much ~~or as much~~ as
he has received, ^{or if any from his hands some five or six hundred dollars}
The foregoing statement of said Adams
account shows a balance of \$10.62 principal and interest
unaccounted for on the 19th day of March 1876, which en-
compasses the list of notes charged to him as before stated, some of
which and part of others are yet uncollected, and in process
of litigation in your Honor's Court. Respectfully submitted,

James H. Orr, Clerk.

On the Petition of Henry S. Morgan, Judge of the

I want to a decree of this honorable Court, rendered

 sioned a ^{day} ~~noting~~ in the Court House door of said County

 and among other things in said decree it was ordered
 that the said Commissioner should ascertain the rents
 and profits of the lands over which said Executor had

control which has been done & therefore made a separate statement of the rents received marked (B) for the years 1863-1864-1865 reference thereto had with more fully appear. Upon review with review that I made and commenced the settlement of the date of July 19th 1866 at which time the said Executor ceased to act as Executor of said Esq. J. Henderson Est. at that time the papers were turned over to Elijah S. Bishop Administrator de bonis non with the will annexed, at the date of July 19th 1866 there was in the hands of said Executor agreeable to the statement made by B. M. Morgan summing up the sum of \$13.89, principle unaccounted for leaving interest on said sum to Aug. 15th 1866 amounting to .64, at which time the said Executor paid to E. S.
